DIGITAL PRODUCTS REFUND POLICY

Purchase Terms of Agreement

The purchase of digital products, including PDF downloads and online material is subject to the following terms and conditions. Consumers are advised to review carefully before making any purchase.

Payment + Refund Policy

All transactions for the purchase of intangible products, pdf downloads, resource material, and online content are made through payment gateway. The payment gateway is safe and secure for using all types of credit cards and debit cards in different countries and your details are not stored during this process.

Since your purchase is a digital product it is deemed “used” after download or opening, and all purchases made on The App are non-refundable or exchangeable. Since the products made here are intangible, there is no refund policy.

NON-TRANSFERABLE CLAUSE

The fee deposited for any of the course is Non-Transferable.
